Like many businesses, we are experiencing unexpected price increases and extended lead times from our vendor partners for materials and transportation. We are trying to absorb the costs as much as possible, but in some cases, we have been forced to raise prices on our products. As such, the prices on this quote expire on the date listed and must be re-quoted after that date. Regarding leadtimes, we will do our best to keep you advised on approximate ship dates, but please do allow for delays in your planning as it is highly likely due to very high order volumes.

Demco may require a down payment on this order, please contact your Demco Consultant for more information
