BISD School Board Update 2023-2024

&

WHAT WE'VE DONE &
WHERE WE'RE GOING

Brownwood & SFE Partnership 2022-2023

- SFE's partnership with BISD continues to be a success 9yrs and the momentum is going strong! Our food first philosophy shows positive results with yearly increased participation. Caring what we serve and who we are serving, teaching our team about food, recipes and techniques has allowed us to provide customized menus for Brownwood ISD that are not only healthy but delicious!
- With increased participation comes additional funding this has allowed us to move further in improving Brownwood ISDs School Nutrition Program with kitchen renovating. We are currently working on new serving lines for Brownwood High School!

	2021-2022	2022-2023
Total Meals Served	649,335	704,840
Breakfast Meals	230,517	283,136
Lunch Meals	380,416	382,264

2023-2024

Kitchen Remodels Continue

NEW Menu Concepts

NEW and MORE Promotions

NEW Collaborations

We continue our journey towards improving our processes and delivering on our commitments to ensure a successful 23-24 school year.

We are also improving our communications between School Principals and School Nutrition Staff to provide a better understanding of each school's needs and to refine day-to-day operations.

MEET THE TEAM

Bobby Green
Director of Area Ops

"I'm happy to continue my support of all Brownwood ISD kitchens in improving our program and look forward to serving your students."

GM, Linda Mora

"I am so excited to be back and look forward to having another successful SNP here in Brownwood ISD. My goal is not only to deliver an improved program but exceed YOUR expectations!"

Assistant GM
Savanah Rios

I have worked in food service my entire career and love being able to contribute to the fresh, flavorful meals we're able to serve every day here at BISD."

Seamless Summer Feeding Program

BISD 1st Annual Roar on the Shore- helped double our summer meal participation!

Student Engagement Surveys

Student feedback does directly impact our monthly menus, training, and food quality.

Based on student responses & culinary expansion – Our team has customized school menus to increase meal participation.

Supporting and Promoting the Community Eligibility Provision

The ability to offer free meals to every child everyday has been great for the students while also presenting BISD in a manner that proves that the health and nutrition of children are a top priority!

- ***To continue offering free meals for all students and at NO cost to the district, BISD has elected to apply for CEP for 24-25 SY.***

- **Benefits**

- Breakfasts and Lunch are served free to all students.
- No household applications for free and reduced-price meals are collected or certified.
- No certification means no verification is required.

Delivering on our Commitments

- We work hard to deliver on our commitments and strengthen our relationships as we spend this summer improving our Marketing Techniques, Menu Variety, and Administrative Review Processes.
- We want fresh fruits and vegetables to be available daily for all students.
- We strive for region-based menu items that appeal to the student population at Brownwood ISD.
- We work with our kitchen staff and managers on Production, Preparation, & Presentation.
- We enjoy creating fun and participation-driven themes and promotions for the students.
