Minidoka County School District

Technology Department
June 17, 2019

Student Technology

- We have collected all of the Minico laptops and have started going through them. We are scanning for viruses and upgrading the Windows and Office software.

Staff Technology

- We have replaced 8 staff desktops with newer ones that were in the rotation for 2018-19.
- We have collected most of the staff devices for staff that are leaving the district. We are still missing devices for 6 staff members.

District Technology

- We have replaced the 9 labs that were on the rotation for the 2018-19 school year.
- Our 2019-2020 eRate requests have been submitted and now we wait several months for approval.

Work Orders

- Work orders are combined with Maintenance.
