Requisition # R068762  
\$200,000.00

Dear Superintendent Grant:

Kelly Orton submitted the above requisition for processing of USDA bulk foods into finished products for Child Nutrition for the 2024-2025 fiscal year.

The Davis School District facility is certified by the Federal Government, USDA, and the State of Utah for food processing. The Utah Procurement Code does not require competition when purchasing goods/services that are provided directly from another public entity.

Permission is requested to issue a purchase order to Davis School District Distribution Center for \$200,000.00. Funds for this expenditure will come from the 2024-2025 Child Nutrition Fund.

Sincerely,
