Subject:

Consider Approval of Expenditure with ILA-BuyBoard Vendor Amplify Education, Inc.

Background:

The District has utilized various products and services provided by Amplify Education, Inc. for elementary campuses, with previous expenditures remaining below the threshold requiring Board approval. With the upcoming implementation of the new state math adoption for the 2026–2027 school year, the Elementary Math Department, with the support of the IMTA Committee, proposes purchasing Amplify mCLASS Math and Boost Math Texas for grades K–3 to support early numeracy screening, progress monitoring, and intervention requirements under Texas HB 2. The estimated cost of these subscriptions is \$144,000. Amplify Education, Inc. is available through the BuyBoard purchasing cooperative, of which the District is a member. It is the recommendation of the Director of Purchasing that the Board approve expenditures with Amplify Education, Inc. in an amount of \$150,000 through August 31, 2026, for the purchase of the recommended mathematics resources and any additional instructional or assessment products needed prior to the start of the school year.
