**Mahtomedi, MN 55115**

**Regular Meeting - Board of Education**

**Date:** March 9, 2017

---

**Agenda Item #9. B.**

---

**TOPIC: Guidance Department Update on Minnesota Career Information System (MCIS)**

**BACKGROUND:** The 2015-16 school year was the first time that the use of the Minnesota Career Information System (MCIS), an online tool sponsored by MDE, was implemented in both Mahtomedi Middle School and Mahtomedi High School. This program has allowed the counseling departments in both buildings to align their career development curriculum.

**PURPOSE OF PRESENTATION:** The purpose of this presentation is to provide the Board and community with an overview of online career and college exploration tools, MCIS and MCIS Jr., and how they are being used in both secondary schools in the Mahtomedi School District.

**LEARNING OBJECTIVE:** As a result of this presentation, the Board will have an understanding of the resources available and efforts being made in the counseling department to help our students research, explore their options, and plan for life after high school.

**ACTION RECOMMENDED:** Discussion
