

# Browning Elementary

Board Report for August 9, 2022

---

## **Leadership:**

Mrs. Sheila Hall and Ms. Racquel Little Plume is looking forward to the 2022-23 school year. They have been preparing for an exciting school year with students and staff. They are excited for the return of students and staff to Browning Elementary.

## **Custodians:**

Over the summer the custodians worked hard to get the building ready for another school year for the second and third grade students. Shout out to BES custodians: Angela Spotted Eagle, Quentin NewRobe and William Lawrence for their hard work to ensure the building is ready.

## **Secretary:**

The BES secretary Dellyssa Ladd has been busily preparing for the school year ordering supplies, checking in orders, distributing supplies, registering students and updating information on Infinite Campus. We sure appreciate Dellyssa for ensuring that we are ready to start off the school year.

## **Leadership TEAM:**

Earlier this summer grade level teams came in for SBE Core Content planning to plan the upcoming 2022-23 school year. Teams worked on updating Authentic Literacy maps, revising the instructional framework, planning multi-tiered systems of support for students, identifying professional development, and planning instructional curriculum maps for science, social studies, writing, reading and math.

Last year we identified four focuses to center our work around, which are (1) Science of Reading, (2) Science of Writing/Handwriting, (3) Math plan following Mary Buck's guidance and (4) Social Emotional Learning with Conscious Discipline & DESSA. We will continue with these same four focuses this school year to guide our work. .

## **Open House:**

We look forward to meeting students and families at our open house on August 24, 2022. At the open house families can come to the school to meet their child's teacher, see where their child's classroom is located in the building, and drop off school supplies.
