

AUGUST

Create regular board learning time

(Work sessions to become your own PLC)

Develop meaningful principles through deliberative processes

Focus principles on the desired outcomes – results and the why it's important to realize the outcomes

Finalize priority expectations based on what can be monitored and supported

Regularly monitor principle implementation

Set clear expectations for the outcomes of the PD provided

Identify the indicators the board will accept as progress toward the improvement targets

Ensure the district-wide comprehensive assessment system can provide answers

SEPTEMBER

Communicate your confidence in the staff to meet the improvement targets

OCTOBER

Provide ongoing support for a DLT and meet regularly with this team to learn, problem-solve

Study student learning data to identify highest priority improvement Focus area

Regularly monitor progress toward the specific annual targets

(Create a reporting schedule)
