Subject: CLASS Program

The next episode of the CLASS program is ready to present to our Board of Education. Each CLASS program is developed jointly between the Academic Services Department and Ken McMullen in the Communications Department. This episode will showcase the implementation of the state's high school content expectations for Physics using the Physics for All instructional model and the new physics program.

Please consider adding this item to the Instruction portion of the October 17, Board of Education meeting. Thank you for considering this request.
