Discussion on changing the day of the week that the board meets

This fall three parents/grandparents asked if the board would consider meeting on another day of the week instead of Wednesday due to church. One of our Trustees also said that at times Wednesday nights are difficult because of church.

This is a question that has arisen from time-to-time during the history of the board. The reason for the Wednesday meetings is because it does not interfere with most after school activities. In addition, many Trustees belong to other organizations and/or committees that meet on different days in the evenings.

Mr. Hallman asked that this be placed on the Agenda for discussion.
