RE: Board donation – BCPS “Room 156”

I recommend that the Board accept the following donation:

- **Planet Fitness** – 200 Hygiene Kits and 13 pairs of Nike Dunks

Planet Fitness held its annual retreat at Boyne Mountain Resort and chose Boyne City Schools as the recipient of its donations this year.

BCPS Pantry “Room 156” supplies our fragile student population with much needed food and resources to help students through the weekend or time away from school. Most of this population relies on breakfast and lunch from school, so time away from these important resources can be worrisome. Donations will be used over the school year to keep our pantry stocked.
