Attendance Boundary Rezoning  
Board Presentation  
Ginnings Elementary  
December 2024

# The Process

---

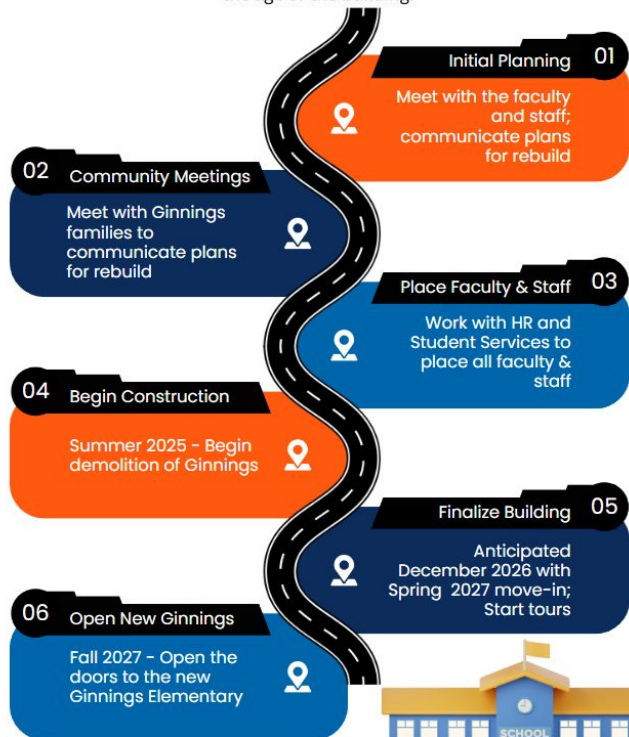

- As a result of many years of planning and leadership efforts by community members, parents, volunteers, and Denton ISD team members, the 2023 bond includes a rebuild of Ginnings Elementary
- Determination was made that the site of Ginnings Elementary will not accommodate a rebuild without the demolition of the current building
- Meetings were held with Ginnings faculty and staff members
- Community meetings are held on two nights:
  - Monday, Nov. 18
  - Tuesday, Dec. 3
- Board workshop on Tuesday, Dec.10 to discuss drafts and potential revisions based on community feedback
- If changes are made, the new draft maps will be posted on the district website at [www.dentonisd.org/Ginnings2025](http://www.dentonisd.org/Ginnings2025)
- New attendance boundaries will go into effect for the 2025-2026 school year; finalized attendance boundary maps will be posted on the district website
