Brazosport Independent School District

District Improvement Plan

2024-2025 Goals/Performance Objectives/Strategies

Table of Contents

Goals	3
Goal 1: Brazosport ISD will provide a rigorous a relevant learning experience to ensure that every student will B*FutureReady.	3
Goal 2: Brazosport ISD learning environments will be safe, secure, and conducive to learning.	14
Goal 3: BISD will promote, communicate and market the accomplishments, achievements and successes of students and staff.	24
Goal 4: Brazosport ISD will exercise fiscal responsibility to ensure financial strength and provide the resources to equip and maintain quality facilities and educational	
programming.	29
Goal 5: Brazosport ISD will recruit, develop, and retain highly effective staff.	37

Goals

Goal 1: Brazosport ISD will provide a rigorous a relevant learning experience to ensure that every student will B*FutureReady.

Performance Objective 1: The percent of 3rd grade students that score Meets Grade Level or above on STAAR Reading will increase from 47% in 2021 to 60% by June 2026. (Outcome Goal 1)

HB3 Goal

Evaluation Data Sources: Third grade STAAR Reading Exam results at the Meets Grade Level standard by all applicable Domain III: Closing the gaps groups PK-3 reading screener progress reports comparing the beginning of the year with the end of the year

Strategy 1 Details		Revi	ews	
Strategy 1: Literacy Specialist will monitor the implementation of the Early Childhood Reading and Writing Curriculum,		Formative		Summative
and provide training and resources to early childhood teachers.	Nov	Jan	Mar	June
Strategy's Expected Result/Impact: Improved reading performance from the beginning of the year to the end of the year for 90% or more of students in grades PK through 4				
Staff Responsible for Monitoring: Deputy Superintendent of Elementary Academics: Language Acquisition and Early Childhood	85%	90%		
Deputy Superintendent of Curriculum, Instruction, & Assessment				
Problem Statements: Student Learning 1				
Strategy 2 Details		Revi	ews	•
Strategy 2: District level literacy supervisors will ensure that Balanced Literacy and science of teaching reading is		Formative		Summative
implemented with fidelity in every elementary classroom.	Nov	Jan	Mar	June
Strategy's Expected Result/Impact: 65% or more of students in grades 1-3 will demonstrate a minimum of one year of growth using the Star Renaissance screener. 58% of grade 3 students will perform at Meets Grade Level on the STAAR reading.	85%	90%		
Staff Responsible for Monitoring: Deputy Superintendent of Elementary Academics: Language Acquisition and Early Childhood				
Deputy Superintendent of Curriculum, Instruction, & Assessment				
Results Driven Accountability				

Strategy 3 Details		Rev	iews	
Strategy 3: Use Imagine Learning to accelerate language and literacy skills for all students including Emergent Bilinguals		Formative		Summative
in grades PK-4. (Title III)	Nov	Jan	Mar	June
 Strategy's Expected Result/Impact: Improved reading performance from the beginning of the year to the end of the year for 90% or more of students in grades PK-4. Staff Responsible for Monitoring: Deputy Superintendent of Elementary Academics: Language Acquisition and Early Childhood 	80%	90%		
Results Driven Accountability Problem Statements: Student Learning 1 Funding Sources: Imagine Learning Language and Literacy Licenses - 263 - Title III, Part A - \$34,500				
No Progress Accomplished -> Continue/Modify	X Discon	tinue		

Performance Objective 1 Problem Statements:

Student Learning

Problem Statement 1: High-leverage instructional strategies of focus (Tier 1 Priorities) are not universally and consistently observed across the district likely resulting in lower levels of learning especially for the most vulnerable learners in all content areas. **Root Cause**: There is a need for additional professional development focused on the practicing and monitoring of strategies as well as the development of additional resources to support implementation.

Goal 1: Brazosport ISD will provide a rigorous a relevant learning experience to ensure that every student will B*FutureReady.

Performance Objective 2: The percent of 3rd grade students that score meets grade level or above on STAAR Math will increase from 47% in 2021 to 63% by June 2026. (Outcome Goal 2)

HB3 Goal

Evaluation Data Sources: Third grade STAAR Mathematics Exam results at the Meets Grade Level standard by all applicable Domain III: Closing the gaps groups PK-3 math screener progress reports comparing the beginning of the year with the end of the year

Strategy 1 Details		Rev	iews	
Strategy 1: Improve implementation of Spatial Temporal (ST) Math with Pre-K students through support from the		Formative		Summative
Numeracy Specialist and Early Childhood Specialist. Strategy's Expected Result/Impact: ST Math reports will indicate that 90% of students are on track in mathematics.	Nov	Jan	Mar	June
Staff Responsible for Monitoring: Assistant Superintendent of Elementary Academics: Language Acquisition and Early Childhood	80%	90%		
Results Driven Accountability				
Problem Statements: Student Learning 1				
Strategy 2 Details		Rev	iews	
Strategy 2: The district will facilitate the implementation and monitoring of the mathematics curriculum and TIER 1		Formative		Summative
priorities in K-3 by screeners/CBAs/classroom visits while providing targeted training (implementation of number talks, problem-solving models, fact fluency, etc.) and resources (ST Math, STAAR preparation resources, etc.).	Nov	Jan	Mar	June
Strategy's Expected Result/Impact: Improved mathematics performance from the beginning of the year to the end of the year for 90% or more of students in grades K through 3.	50%	75%

Early Childhood. Language Acquisition Coordinator.				
Parent & Family Liaison				
Results Driven Accountability				
Problem Statements: District Processes & Programs 8				
No Progress Accomplished - Continue/Modify	X Discon	tinue		

Performance Objective 3 Problem Statements:

Student Learning

Problem Statement 3: Brazosport ISD graduates are below the state level of performance for college readiness as evidenced by assessment results such as SAT, TSI, and AP. **Root Cause**: There is a lack of professional development regarding the expectations of rigor for college-ready measures and increasing awareness of opportunities within the district to support success.

District Processes & Programs

Problem Statement 8: We lack opportunity to provide just in time training for specialized job roles. **Root Cause**: Lack of internal capacity to provide on the job training and support for various positions.

Goal 1: Brazosport ISD will provide a rigorous a relevant learning experience to ensure that every student will B*FutureReady.

Performance Objective 4: In 2024-2025, BISD campuses will provide accelerated instruction to all student groups that are not achieving their full potential in order to close achievement and growth performance gaps. (Required element TEC 11.252(a)(3)(A)); (HB 4545)

Evaluation Data Sources: 2024 underperforming BISD student groups will close the gap between the performance of the group and both the state and the traditionally higher performing groups on STAAR assessments.

Strategy 1 Details		Rev	iews

Performance Objective 4 Problem Statements:

Student Learning

Problem Statement 1: High-leverage instructional strategies of focus (Tier 1 Priorities) are not universally and consistently observed across the district likely resulting in lower levels of learning especially for the most vulnerable learners in all content areas. **Root Cause**: There is a need for additional professional development focused on the practicing and monitoring of strategies as well as the development of additional resources to support implementation.

Problem Statement 2: Students struggle with demonstrating learning through writing both extended and short-constructed responses. **Root Cause**: Additional time, professional development, campus / district-based monitoring and support are needed to see systematic implementation of frequent writing practices in all content areas.

Problem Statement 3: Brazosport ISD graduates are below the state level of performance for college readiness as evidenced by assessment results such as SAT, TSI, and AP. **Root Cause**: There is a lack of professional development regarding the expectations of rigor for college-ready measures and increasing awareness of opportunities within the district to support success.

District Processes & Programs

Problem Statement 8: We lack opportunity to provide just in time training for specialized job roles. Root Cause: Lack of internal capacity to provide on the job training and support for various positions.

Problem Statement 9: A clearly defined training plan for student management and both behavioral and academic intervention is not firmly implemented. Root Cause: Demands on time exceed calendar capacity.

Goal 2: Brazosport ISD learning environments will be safe, secure, and conducive to learning.

Performance Objective 1: In 2024-2025, BISD will implement ten or more strategies that ensure the health and safety of students and staff in all learning environments.

Evaluation Data Sources: District out-of-classroom data Data on identified valid threats Tracking of threats from the beginning to the end of school

Strategy 1 Details		Rev	iews	
Strategy 1: Health and safety specialists will be added to the two high schools and two intermediate schools.		Formative		Summative
Strategy's Expected Result/Impact: The addition of the four Health and Safety Specialists will support a 10% reduction of state coded disciplinary actions by June 1, 2025.	Nov	Jan	Mar	June
Staff Responsible for Monitoring: Chief Finance Officer Deputy Superintendent of Administrative Services Director of Federal Programs	75%	80%		
Problem Statements: Demographics 1, 2 Funding Sources: Health and Safety Specialists (4) - 289- Title IV, Part A Personnel - \$135,000				
Strategy 2 Details		Rev	iews	
Strategy 2: The district will train key district and campus personnel, including BISD Police and BISD Security/Safety		Formative		Summative
Officers Level II and Level III, in the National Incident Management System (NIMS) and their role in supporting school safety. [TEC 37.081]	Nov	Jan	Mar	June
Strategy's Expected Result/Impact: By the end of the second semester, all personnel who are required to receive the training will be trained. The District has hired a number of new safety specialist in many of our position. This was due to staffing attrition issues. The new safety specialist hired during the first semester of the 2023/2024 school year have completed this training by the end of the School year 2023/2024. The two new Level III Safety Specialists who were hired during the second semester of the 2023/2024 school year have been assigned to complete all NIMS training before the beginning of the 2024/2025 school year.	50%	80%

Performance Objective 1 Problem Statements:

Demographics

Problem Statement 1: Analysis of discipline and mental health data both indicate that the frequency and severity of internalizing and externalizing problematic behaviors remain high. **Root Cause**: Students continue to exhibit increased mental health and behavioral support needs as well as regression in social/emotional skills because they lacked exposure to basic skills in social interactions and behavior.

Problem Statement 2: The number of student receiving discipline referrals in 2024 was 3,645, which continued an upward trend since COVID-19. **Root Cause**: The systems and processes for implementing PBIS, CKH and CHAMPS need further revision and clarity.

District Processes & Programs

Problem Statement 2: Safety audit findings have identified areas of deficiency that include doors that properly close and lock, shatter resistant film near entries, and periodic emergency response training. Root Cause: Despite excellent evaluations from the state, these items were specifically identified during inspections of campuses and conversations with campus personnel.

Problem Statement 9: A clearly defined training plan for student management and both behavioral and academic intervention is not firmly implemented. Root Cause: Demands on time exceed calendar capacity.

Goal 2: Brazosport ISD learning environments will be safe, secure, and conducive to learning.

Performance Objective 2: In 2024-2025, BISD will implement strategies that support the mental health and developmental needs of students.

Evaluation Data Sources: Communities in Schools monthly reports Report on supports to students identified as homeless or in foster care Implementation supporting documentation for statutorily required activities and trainings

Performance Objective 2 Problem Statements:

Demographics

Problem Statement 1: Analysis of discipline and mental health data both indicate that the frequency and severity of internalizing and externalizing problematic behaviors remain high. Root Cause: Students continue to exhibit increased mental health and behavioral support needs as well as regression in social/emotional skills because they lacked exposure to basic skills in social interactions and behavior.

Problem Statement 2: The number of student receiving discipline referrals in 2024 was 3,645, which continued an upward trend since COVID-19. **Root Cause**: The systems and processes for implementing PBIS, CKH and CHAMPS need further revision and clarity.

Student Learning

Problem Statement 4: The Special Education Program is Significantly Disproportionate in the ratio of African American students served through Special Education versus the number of all students served through Special Education for the SPED OSS and Expulsions < or = to 10 days. **Root Cause**: Student behavior plans are not always being followed.

District Processes & Programs

Problem Statement 8: We lack opportunity to provide just in time training for specialized job roles. **Root Cause**: Lack of internal capacity to provide on the job training and support for various positions.

Problem Statement 9: A clearly defined training plan for student management and both behavioral and academic intervention is not firmly implemented. Root Cause: Demands on time exceed calendar capacity.

Perceptions

Problem Statement 5: Only 73% of parents and 55% of students surveyed indicated they would recommend their school to someone else. **Root Cause**: The messages about the good things happening in BISD need reinforcement on communication platforms and in conversations.

Goal 3: BISD will promote, communicate and market the accomplishments, achievements and successes of students and staff.

Performance Objective 1: In 2024-2025 the district will raise awareness in the community and among staff members for Legislative Advocacy to support Brazosport ISD's priorities.

Evaluation Data Sources: Copies of presentations and agendas from advocacy meetings.

No Progress Accomplished -> Continue/Modify	X Discor	tinue		

Perceptions

Problem Statement 3: Brazosport ISD is facing ongoing challenges related to funding of the district as a direct result of the state withholding funds for public education in 2023. **Root Cause**: Lawmakers are diverting funds away from public education to support political agendas.

Goal 3: BISD will promote, communicate and market the accomplishments, achievements and successes of students and staff.

Performance Objective 2: In 2024-2025, the district will communicate the need for a Bond Referendum in May 2025 to staff and community groups, building awareness and support.

Performance Objective 1 Problem Statements:

District Processes & Programs

Problem Statement 2: Safety audit findings have identified areas of deficiency that include doors that properly close and lock, shatter resistant film near entries, and periodic emergency response training. Root Cause: Despite excellent evaluations from the state, these items were specifically identified during inspections of campuses and conversations with campus personnel.

Problem Statement 3: The cybersecurity threat landscape is undergoing a period of significant intensification specifically in the K-12 environment. **Root Cause**: The perception of weak cybersecurity measures in K-12 schools emboldens attackers, raising the risk of data breaches and operational disruptions.

Problem Statement 4: Network downtime disrupts critical school operations, hindering communication, administrative tasks, and access to essential learning resources. **Root Cause**: The reliance on a single point of failure within the network infrastructure creates a high risk of complete connectivity loss, impacting student learning and essential school operations. **Goal 4:** Brazosport ISD will exercise fiscal responsibility to ensure financial strength and provide the resources to equip and maintain quality facilities and educational programming.

Performance Objective 2: In 2024-2025, BISD will allocate state and federal funds to support the overall instructional program of the district and to address learning loss resulting in all students group meeting or exceeding the math and reading Meets Grade Level targets for the early literacy and numeracy goals, and a 10% or more improvement in Meets Grade Level performance on all STAAR exams for each racial/ethnic and special program population group identify as under performing in 2024. (Federal and State fiscal compliance)

No Progress Accomplished -> Continue/Modify	X Discon	tinue			

Performance Objective 2 Problem Statements:

Demographics

Problem Statement 1: Analysis of discipline and mental health data both indicate that the frequency and severity of internalizing and externalizing problematic behaviors remain high. **Root Cause**: Students continue to exhibit increased mental health and behavioral support needs as well as regression in social/emotional skills because they lacked exposure to basic skills in social interactions and behavior.

Student Learning

Problem Statement 1: High-leverage instructional strategies of focus (Tier 1 Priorities) are not universally and consistently observed across the district likely resulting in lower levels of learning especially for the most vulnerable learners in all content areas. **Root Cause**: There is a need for additional professional development focused on the practicing and monitoring of strategies as well as the development of additional resources to support implementation.

Problem Statement 2: Students struggle with demonstrating learning through writing both extended and short-constructed responses. **Root Cause**: Additional time, professional development, campus / district-based monitoring and support are needed to see systematic implementation of frequent writing practices in all content areas.

Student Learning

Problem Statement 3: Brazosport ISD graduates are below the state level of performance for college readiness as evidenced by assessment results such as SAT, TSI, and AP. **Root Cause**: There is a lack of professional development regarding the expectations of rigor for college-ready measures and increasing awareness of opportunities within the district to support success.

Problem Statement 5: STAAR passing rates for Special Education students were: 47.6% in math, 48.8% in Reading/Language Arts, 30.3% in science, and 36.1% in social studies. STAAR EOC passing rates for special education students were 60.8% in Algebra 1, 66.5% in Biology, 66.9% in US History, and 25.7% in English I & II. **Root Cause**: Tiers I, II, and III instruction provided to special education students is not preparing them for the rigor required to meet the minimum passing standards for STAAR and STAAR EOC.

Perceptions

Problem Statement 5: Only 73% of parents and 55% of students surveyed indicated they would recommend their school to someone else. **Root Cause**: The messages about the good things happening in BISD need reinforcement on communication platforms and in conversations.

Goal 5: Brazosport ISD will recruit, develop, and retain highly effective staff.

Performance Objective 1: In 2024-2025, BISD will develop programs to attract and retain highly effective staff.

Performance Objective 1 Problem Statements:

Demographics

Problem Statement 3: Staffing shortages throughout the state continues to impact our ability to staff each and every classroom with highly-qualified teachers, specifically in special education (self-contained) and secondary core. **Root Cause**: Declining enrollment in EPPs and reduction in candidates seeking certification in high need areas impacts the number of highly qualified teachers entering the profession.

District Processes & Programs

Problem Statement 5: Less general fund revenues are available to meet the instructional and operational needs of the District due to decrease enrollment and a sub 95% attendance rate. Root Cause: State funding is based on students enrolled in average daily attendance.

Perceptions

Problem Statement 3: Brazosport ISD is facing ongoing challenges related to funding of the district as a direct result of the state withholding funds for public education in 2023. **Root Cause**: Lawmakers are diverting funds away from public education to support political agendas.

Performance Objective 2: In 2024-2025, BISD will ensure that teachers are receiving high-quality professional development that will support their efforts to improve classroom instruction and student performance.

Performance Objective 2 Problem Statements:

Demographics

Problem Statement 3: Staffing shortages throughout the state continues to impact our ability to staff each and every classroom with highly-qualified teachers, specifically in special education (self-contained) and secondary core. **Root Cause**: Declining enrollment in EPPs and reduction in candidates seeking certification in high need areas impacts the number of highly qualified teachers entering the profession.

Student Learning

Problem Statement 1: High-leverage instructional strategies of focus (Tier 1 Priorities) are not universally and consistently observed across the district likely resulting in lower levels of learning especially for the most vulnerable learners in all content areas. **Root Cause**: There is a need for additional professional development focused on the practicing and monitoring of strategies as well as the development of additional resources to support implementation.

Problem Statement 2: Students struggle with demonstrating learning through writing both extended and short-constructed responses. **Root Cause**: Additional time, professional development, campus / district-based monitoring and support are needed to see systematic implementation of frequent writing practices in all content areas.

District Processes & Programs

Problem Statement 8: We lack opportunity to provide just in time training for specialized job roles. Root Cause: Lack of internal capacity to provide on the job training and support for various positions.

Perceptions

Problem Statement 4: Substitute knowledge and classroom management has shown to be a campus concern. Root Cause: Lack of in-person training opportunities provided by the district for substitutes in the areas of concern.

Problem Statement 5: Only 73% of parents and 55% of students surveyed indicated they would recommend their school to someone else. **Root Cause**: The messages about the good things happening in BISD need reinforcement on communication platforms and in conversations.
