International Leadership of Texas

Dear Superintendent and Board President:

This letter is to inform you that International American Education Federation, Inc. intends to submit an application to the State Board of Education (SBOE) from an open enrollment charter school. The SBOE's guidelines require that applicants send the enclosed *Statement of Impact* form and a copy of the completed *Application Coversheet* to each district and open-enrollment charter school that may be affected by the proposed charter school. Your district or charter school is receiving this information because the proposed charter school's designated geographic boundary overlaps with your district's or charter school's boundary. The list includes:

- Districts – Attached
- Charters – Attached

The attached *Statement of Impact* form provides a district or charter school with an opportunity to inform SBOE of whether the proposed charter school may adversely impact it financially or in some other respect. The form also allows a district to notify the SBOE of whether the proposed school may negatively affect its student enrollment in a manner that would impair its ability to comply with a court order. Completed forms may be returned to:

Texas Education Agency
Division of Charter School Administration
1701 North Congress Avenue
Austin, TX 78701

Forms must be received by no later than August 3, 2012 for the information to be considered by the SBOE. If you have questions about the process for approval of open-enrollment charter schools, please contact the Division of Charter School Administration at (512) 463-9575 or visit <http://www.tea.state.tx.us/charter>. If you would like a complete application for the open-enrollment charter school, please contact International American Education Federation, Inc. at 210-487-0455.

Sincerely,
