Background Information

The administrative team recommends purchasing Wonders 2020 curriculum for 6th grade for the following reasons:

- The consistency of K-5 Wonders 2020 curriculum helps provide a guaranteed and viable curriculum. Adding 6th grade Wonders 2020 would extend that consistency into the 6th grade.
- Elementary administrators and teachers see the benefit of aligning K-5 curriculum, interventions and resources.
- There has been discussion about adopting 6th grade Wonders 2020 curriculum next year, but the price is slightly over ½ if the order is placed before December 15th (\$48,046.28 versus \$90,082.77).
- We would like to do training now and provide materials to teachers as soon as possible in order to prepare for next year.

Recommendation

I move to purchase 6th Grade Wonders 2020 curriculum.
