

As a prerequisite for participation in interscholastic athletic programs, (1) each student must participate in the blanket insurance program adopted by this school district or provide evidence of other insurance coverage; and (2) the parent/guardian must give permission for the student athlete to participate in the athletic program. The building principal will inform the parents of the limits of protection provided by the school policy in the event of an athletic injury.

This district does not assume any financial responsibility for medical or hospital expenses incurred because of athletic injuries. Athletes participate at their own risk.
