

## THS 6A Athletics Department Research for 2019-2021: Cost, mileage, time

Mileage is the shortest distance according to Google Maps

Time reflects bus time for distances

The mileage and travel times on the charts are one-way distances and times

Chart reflects the one-way distances/times for Tupelo in Region I North 6A -- 2019--2021

	Oxford	Lewisburg	Desoto Central	Horn Lake	Southaven	Olive Branch	Hernando
Tupelo	1:05--T 49.5mi.	1:40-T 86.5 mi.	1:50 - T 92 mi.	1:51 - T 97.6 mi.	2:00 - T 95.8 mi.	1:48 - T 85 mi.	1:53-T 93.7 mi.

Chart reflects one-way distances/times if Tupelo had been in Region II in the North 6A--2019--2021

	Clinton	Murrah	Madison Central	Warren Central	Germantown	Greenville	Starkville
Tupelo	3:32--T 188 mi.	3:30-T 183 mi.	3:25 - T 174 mi.	3:55 - T 220 mi.	3:00 - T 167 mi.	3:45 - T 174 mi.	1:28-T 68.6 mi.

Football plays all 7 district schools each year with home / away scheduling. The total mileage comparison difference for the two years is 532 miles / 10.64 hours for one-way trips, 1,064 miles and 21.24 hours for round trips.

All other sports, baseball, basketball, soccer, fastpitch and slowpitch softball, volleyball, tennis, golf, track, bowling, cross-country, archery, and powerlifting compete in a Region I east region which includes THS, Olive Branch, Lewisburg, and Desoto Central. These teams play a home / away type schedule varying from two, three, or district meetings. The total mileage comparison difference for the two years for one-way trips is approximately 6,700 miles / 134 hours, 13,400 miles / 268 hours for round trips. With all sports travel comparison differences, the total two year difference (round trips) is 14,470 miles / 289.4 hours. The transportation department calculates the bus travel cost of \$1.00 per mile for round trips. The total cost savings for remaining in the 6A Region 1 versus 6A Region 2 = \$14,470 for the upcoming two years.
