

## High School Board Report 1-7-19

### Overview

- 12/10 & 12/17 - High School Band and Choir held their annual holiday concerts along with the middle school. Students in both organizations performed very well and provided the community with excellent concerts. Thank you to students and directors for their hard work and great performance.
- 12/13 - The high school participated in the District tornado drill. Proper procedures were practiced and verified by staff, students and administration.
- 12/13 - The THS Youth Apprenticeship Holiday Dinner was hosted at Rondele Ranch, who is a business partner with the Youth Apprenticeship program. The event was attended by THS YA Coordinators, administration, youth apprentices, employers, parents and the Wisconsin Department of Workforce Development (DWD) . The event consisted of a meal, acknowledgements, celebrations, coordinator presentations, DWD presentations and networking. It was a productive and enjoyable evening. A special thank you goes to our hosts, Rondele Ranch. We appreciate your hospitality and commitment to our students in Youth Apprenticeship.
- 12/14 - High school administrator meeting took place at Nicolet Technical College to review Dual Credit Course programming and updates on competency based educational programs. THS continues to work with our post-secondary partners to enhance and further develop value added options for students to earn while still in high school.
- 12/21 - Winter Breakout activities took place from 2:00-3:30 in the high school. Staff members developed a large variety of activities for students to select from. Examples include: various arts & crafts, culinary, basketball & dodgeball tournaments, hiking in the school forest, open Tech Ed labs, etc. Students and staff enjoyed participating in the activities together and building relationships.
