**for more info!**

- To avoid any misunderstandings regarding interpretation of the rules, all teams must send a copy of their national routine to our office. This video should be uploaded by January 8, 2015.
- The videotape will only be viewed by UCA officials. If there are any rule infractions in your routine, you will be contacted immediately.
- Any changes made in your routine after this date must also be sent to the office. No partner stunts, pyramids or gymnastics will be approved by telephone.
- Please remember we are only viewing your routine for rule infractions, we are not critiquing your routine. These videos will not be returned.
- Your video can be uploaded to <http://eventuploads.varsityspirit.com>
- You may also email questions to Orry Clayborne at [oclayborne@varsity.com](mailto:oclayborne@varsity.com)

**EVERY TEAM MUST SUBMIT A VIDEO.  
THESE VIDEO'S ARE DUE BY JANUARY 8, 2015**

The purpose of the safety video is to have the opportunity to catch safety infractions as early as possible. If a rule violation is included on the safety video and is not caught, the violation may be caught and changed in the warmup area. The warmup area officials and the tournament director will make the determination as to whether a skill must be changed or if changing the skill at that point is more hazardous to the performers. If an illegal skill is performed on the floor after having not been caught on the video and in the warmup area, points will not be deducted from that routine. However, the skill will need to be changed if the squad advances to the next round. Entry of the safety video does not absolve coaches of their responsibility with regard to legal skills in the routine.
