# Fresh Fruit And Vegetables Program Begins

October 22, 2024

Encourages healthier school environments by promoting nutrition education.

# THE FRESH FRUIT AND VEGETABLE PROGRAM

## 1. What is the Fresh Fruit and Vegetable Program?

The Fresh Fruit and Vegetable Program (FFVP) is a federally assisted program providing free fresh fruits and vegetables to children at eligible elementary schools during the school day. The goal of the FFVP is to introduce children to fresh fruits and vegetables, to include new and different varieties, and to increase overall acceptance and consumption of fresh, unprocessed produce among children. The FFVP also encourages healthier school environments by promoting nutrition education. To learn more, visit the FFVP webpage: <https://www.fns.usda.gov/ffvp/fresh-fruit-and-vegetable-program>.

## 3. Which schools are eligible to participate in the FFVP?

Elementary schools in all 50 States, the District of Columbia, and the territories of Guam, Puerto Rico, and the Virgin Islands are eligible to participate. Schools must operate the National School Lunch Program in order to operate the FFVP. Importantly, the FFVP prioritizes schools with the highest percentage of children certified as eligible for free and reduced price meals. This is because children from low-income families generally have fewer opportunities to consume fresh produce on a regular basis.

# THE FRESH FRUIT AND VEGETABLE PROGRAM

## 1. What is the Fresh Fruit and Vegetable Program?

The Fresh Fruit and Vegetable Program (FFVP) is a federally assisted program providing free fresh fruits and vegetables to children at eligible elementary schools during the school day. The goal of the FFVP is to introduce children to fresh fruits and vegetables, to include new and different varieties, and to increase overall acceptance and consumption of fresh, unprocessed produce among children. The FFVP also encourages healthier school environments by promoting nutrition education. To learn more, visit the FFVP webpage: <https://www.fns.usda.gov/ffvp/fresh-fruit-and-vegetable-program>.

## 2. Who administers the FFVP?

The Food and Nutrition Service of the United States Department of Agriculture administers the FFVP at the Federal level. At the State level, the FFVP is administered by State agencies, which operate the Program through agreements with local school food authorities. State agency contact information is available at: <https://www.fns.usda.gov/school-meals/school-meals-contacts>.

## 3. Which schools are eligible to participate in the FFVP?

Elementary schools in all 50 States, the District of Columbia, and the territories of Guam, Puerto Rico, and the Virgin Islands are eligible to participate. Schools must operate the National School Lunch Program in order to operate the FFVP. Importantly, the FFVP prioritizes schools with the highest percentage of children certified as eligible for free and reduced price meals. This is because children from low-income families generally have fewer opportunities to consume fresh produce on a regular basis.

## 4. What are the application requirements for the FFVP?

Eligible elementary schools must submit an FFVP application that includes:

- The total number of enrolled children;
- The percentage of children certified as eligible for free and reduced price meals;
- A certification of support for participation of the FFVP signed by the school food service manager, school principal, and the district superintendent (or equivalent positions, as determined by the school); and
- A Program implementation plan, including efforts to integrate the FFVP with other efforts to promote childhood health and nutrition.

## FFVP?

ce of th  
mir

are aromatic,  
light, citrus scent,  
gain low acidity,  
a sweet, tangy, subtly  
floral, and fruity flavor.

# Thanksgiving Luncheon

Date: November 21<sup>st</sup>

Presale at PK-8 Building A

\*150 tickets/ \$8.00

From Oct 23-Nov 6

7:30am-8:30am

The background features a complex geometric design. On the left side, there are several overlapping, semi-transparent shapes in various shades of green and a dark blue-grey. These shapes create a layered, crystalline effect. The rest of the background is a solid, vibrant lime green. Centered on this green background is the text '▶ THANK YOU!' in a clean, white, sans-serif font. The '▶' symbol is a simple right-pointing triangle.

▶ THANK YOU!
