

Site Report – IGI – February 2021

To: Superintendent Ty Mase and LPSD School Board Members	From: Hannah Middleton, Head Teacher
Personnel	
We hired a basketball coach! Chris Bybee has joined the LPSD team as a coach and his wife, Amanda Bybee, is also helping out as the assistant coach.	
Standards Based System/Curriculum Progress	
Students are progressing well through their levels. Ms. Hannah's 6 th grade social studies class completed all of their level 6 standards for the year and have now moved on to level 7. We also had a couple of middle and high school students pass their end of levels for writing. Mr. Harris has taken over the science instruction for 6 th – 11 th grade and the students are learning so much from him. Ms. Gabbie's students have been busy learning about Alaskan animals, and she also started teaching them slacklining. It's been a busy month!	
Technology Progress	
Technology is good. We are waiting for our broken lunch tablet to make it back to the village after it's repair. The students are loving their new computers!	
Facility Update	
We had to make a temporary third classroom to house the growing number of students enrolled in Igiugig School. Everyone is very excited about the prospect of moving the library and opening up new classroom space next year. One of our lunch tables broke shortly before break and we are currently borrowing one from the village council.	
LSAC Activity	
LSAC is planning to meet in March.	
Volunteer Report	
AlexAnna Salmon and Alicia Tinney volunteered to work a few hours with the Night Gym program this month. Fewnia Zharoff continued to volunteer daily from 8am-12pm in our classrooms as an aide. We are very thankful for our wonderful volunteers!	
Professional Development	
Staff has been attending LPSD PD events and also meeting with Mr. Dube about upcoming individual PD opportunities.	
Pupil Attendance	
We have had nearly perfect attendance all year!	
Student and Staff Safety	
All of the Igiugig School staff is now fully vaccinated against COVID-19! Yay!	
Subsistence Calendar	
N/A	
Other	
Our school was awarded a grant and will be doing dog sled building, string stories, and some next year
