

# Instructional Materials (Textbook) Adoptions

May 23, 2017

## SUMMARY:

This item requests approval of the recommended textbooks as listed on the attached table.

## PREVIOUS BOARD ACTION:

- The board received the list of recommended textbooks as a Board Report at the May 9, 2017 School Board Meeting

## BACKGROUND INFORMATION:

The Recommended list includes

- Mathematics, Statistics course only;
- All World Language courses in Middle and High Schools; and,
- All CTE courses in Middle and High Schools.

## SIGNIFICANT ISSUES:

NA

## FISCAL IMPLICATIONS:

- Costs will be borne by the Instructional Material Allotment as provided by the TEA

## BENEFIT OF ACTION:

- Passage will allow ample time to order materials in Summer 2017 for use in Fall 2017

## PROCEDURAL AND REPORTING IMPLICATIONS:

NA

## PUBLIC COMMENT RECEIVED:

NA

## ALTERNATIVES:

These materials are the recommendations from the teachers and the central staff. Other alternatives would represent alternate selections rather than first choices.

## OTHER COMMENTS:

Recommendations represent the choice of teachers in Math, CTE, World Languages.

**SUPERINTENDENT'S RECOMMENDATION: To approve the recommended list of Instructional Materials as reported in the May 9, 2017 School Board Meeting for Statistics, CTE, and World Languages using funds from the Instructional Materials Allotment.**

## STAFF PERSONS RESPONSIBLE:

Mike Mattingly, Assistant Superintendent of Curriculum, Instruction, and Staff Development
