TITLE: Recognition of Finalist for Outstanding High School Faculty Award Presented by Arizona Online

BACKGROUND:

Ms. Jill Christman, an exceptional science teacher at Canyon del Oro High School, has been named a finalist for the Outstanding High School Faculty Award Presented by Arizona Online.

The High School Faculty Award is selected by a panel of representatives from districts throughout Southern Arizona. The decision is based on a variety of judging criteria, including excellence in teaching preparation and experience, leadership ability, participation in co-curricular or extracurricular activities involving students, innovation or unique teaching practices, evidence of successful teaching, recognition by colleagues, and community involvement.

Ms. Christman was recognized at University of Arizona football and basketball games, and all nine finalists will be honored at a banquet held this spring at the University of Arizona's Hall of Champions, where the Teacher of the Year will be announced.
