SUBJECT: Update of Policy 4190 Concussions and Traumatic Head Injury on a second read

Policy 4190 Concussions and Traumatic Head Injury has been updated to comply with Utah State Board of Education Rule R277-614 and Utah Code 26B-4-403. This is a new policy that will replace our current policy 4190 Student Health and Welfare. This policy lists common signs of concussions as well as management and referral guidelines for students with a concussion or possible concussion. There have been no changes to the policy since the first reading. An update to this policy has been requested by the Legal Department. We are seeking Board approval of this policy on a second read.
