**Competency Requirements for Promotion
of Students from Third Grade**

A. A third (3rd) grade student shall not be promoted if the student obtains a score on the reading portion of a state required test ~~the AIMS test, or a successor test,~~ that demonstrates the student's reading skills fall far below the third (3rd) grade level or the equivalent as established by the Board unless the student is exempt from mandated retention or the student qualifies for an exemption as determined by the Board.

B. The Board may promote a student from third (3rd) grade if the student obtains a score on the reading portion of a state required test that demonstrates the student's reading skills fall far below the third (3rd) grade level for any of the following:

1. A good cause exemption if ~~the~~ student is English language learner or a limited English proficient student as defined in A.R.S. 15-761 and has had fewer than two (2) years of English language instruction. ~~and/or~~
2. The student is in the process of a special education referral or evaluation for placement in special education or a student who has been diagnosed as having a significant reading impairment, including dyslexia or a student who is a child with a disability as defined in A.R.S. 15-761 if the student's individualized education program team and the student's parent/guardian agree that promotion is appropriate based on the student's individualized education program. "Dyslexia" as defined in section A.R.S. 15-701 means a brain-based learning difference that impairs a person's ability to read and spell, that is independent of intelligence and that typically causes a person to read at levels lower than expected.
3. A student who receives intervention and remedial services during the summer or subsequent school year pursuant to those indicated below under "Intervention and Remedial Strategies Developed by the State Board of Education" and demonstrates sufficient progress may be promoted from the third grade based on guidelines issued pursuant to the description of the school district policies on midyear promotion to a higher grade.

C. The student has demonstrated reading proficiency on an alternate assessment approved by the State Board of Education (SBE).

A student may not be retained if data regarding the student's performance on a state required test ~~the AIMS test, or a successor test,~~ is not available before the start of the following academic year. A student who is not retained due to the unavailability of test data must receive intervention and remedial strategies as in the section below if the third grade assessment data subsequently demonstrates that the student's reading ability falls far below the third grade level or the equivalent.

Good Cause Exceptions

~~Upon a finding of a good cause exception to the competency requirements stated above, the Governing Board may promote a student from the third (3rd) grade. The following are good cause exceptions:~~

- ~~• The student has a disability as defined in A.R.S. 15-761, and did not take the AIMS test or a successor test;~~
- ~~• The student has a disability as defined in A.R.S. 15-761, has taken the AIMS test, or a successor test, and has previously been retained in a grade;~~

~~Process for Consideration of Good Cause Exception~~

~~A parent/guardian may appeal for a good cause exception to the Governing Board by utilizing form IKE-EE. Whether the Governing Board should hear the appeal will be recommended by a hearing officer pursuant to Regulation IKE-RE. At a minimum, the written request must include documentation showing that promotion of the student is appropriate based on the student's academic record, including:~~

- ~~• Academic progress reports.~~
- ~~• Student's Individualized Education Program (if applicable).~~
- ~~• Letters from the student's teacher(s) and the principal of the school recommending the pupil be promoted from the third (3rd) grade.~~

~~An acceptance or rejection of the exemption request will be provided within thirty (30) days after receipt of the parent/guardian's request.~~

Intervention and Remedial Strategies Developed by the State Board of Education (SBE) for Students Who Are Not Promoted from the Third Grade

For students who are not promoted from the (3rd) grade, the Governing Board shall offer ~~at least~~ more than one (1) of the intervention and remedial strategies developed by the State Board of Education (SBE).
