

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** April 19, 2021

**AGENDA ITEM:** Consider Approval of Purchase of Furniture for Aledo Middle School

**PRESENTER:** Earl Husfeld, Chief Financial Officer and Tyler Boswell, Director of Construction and Facilities

### **BACKGROUND INFORMATION:**

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As you are aware, renovations/additions to Aledo Middle School (AMS) were included within the District's 2019 Bond Program.
- Included within these bond project costs were funds allocated for the purchase of new furniture to outfit AMS to the same standard established with the replacement/purchase of furniture for Coder, Stuard, McCall, Walsh, and Annetta Elementary Schools.
- As we discussed during the February 22, 2021 board meeting, since the District has not previously replaced middle school furniture, a small group of district staff met virtually with Lone Star Furnishings, LLC (Lone Star) to review current furniture options. Based on the feedback from this small group, selections for classroom furniture were chosen for viewing/testing by the staff and students at AMS and McAnally Intermediate School and District Instructional Specialists so they could provide feedback on the selections made. Based on this feedback, meetings were then held with campus administrators and Lone Star to finalize selections.
- Due to the construction phasing at AMS and with McAnally Middle School opening in August 2022, all of the middle school furniture does not need to be purchased at one time. However, pricing has been negotiated that will hold for the duration of the ordering periods.
- The attached quote includes furniture for the following AMS spaces that are scheduled to be available for use in August 2021: library/media center, four (4) science labs, two (2) flex labs, twelve (12) regular classrooms, four (4) special needs classrooms, two (2) collaboration spaces, and the counseling suite.
- To ensure best pricing and value, the District utilized the Educational Purchasing Cooperative of North Texas (EPCNT) cooperative purchasing method to obtain pricing from Lone Star.
- In order to ensure timely delivery for this phase at AMS, we are presenting this item to you at this time for consideration/action.

## **ALEDO ISD BOARD MEETING TEMPLATE**
