RECOGNITION

BACKGROUND INFORMATION: Through the generosity of the Joe Barnhart Foundation, Beeville ISD was able to offer technology mini-grant opportunities to teachers in the district. Debbie Delbosque, Sheryl Ferguson, Mary Rich, Patricia Zambrano, Lauralee Bankston, Lisa Latcham, Cheryl Burris, and Vickie McClendon wrote excellent grants and the committee of six (6) grant readers scored all of them with good scores. We recognize their efforts to take technology to a new level in their classrooms!
