

The levy certification documents for Minnesota's public schools was issued by MDE on Monday, September 7th. Calculations will be completed on September 30th.

The first "levy run" typically contains errors. Joe Prom will work with MDE to correct the calculations over the next few weeks. He will review the preliminary Payable 2016 levy information at the school board meeting.

Joe and I expect the Pay 16 Levy to be comparable to the Pay 15 Levy. **I recommend approving the maximum preliminary certification.**

A presentation covering the 15-16 budget and the Payable 2016 Levy will be provided by the business manager at the December 7st school board meeting. The final levy amount will be approved by the board at that time.
