

# Memo

**To:** Board of Trustees  
**From:** Rob Sauer, Superintendent  
**Date:** June 4, 2014  
**Re:** Superintendent's Board Report

---

## Teaching Positions-

- As you know we have had several openings for teaching positions. The principals have been working very hard to fill the positions. I think you will be pleased with their recommendations and what they have been able to do so far.

## Differential Pay

- In the May paycheck every employee was able to benefit from the differential pay funding that was allocated from the Idaho Legislature. Each employee received an extra \$519 (gross). This included every employee not just instructional staff.

## Teacher of the Year

- Matt Holtry was selected as the Teacher of the Year for the district. Matt is very deserving recipient of the award.
