Background Information:

- This recommendation is for Elevators and Wheelchair Lifts Service, Inspections, and Other Related Products and Services needed for district operations to provide a safe and quality environment for the students and staff of LISD.
- Products and services purchased utilizing LISD-eligible cooperative contracts help provide supplemental support for service to the fifty-three District elevators and eight lifts.
- Due to multiple elevator manufacturers and related proprietary software and parts, it is necessary to have the actual manufacturer work on the District elevators.

- Best value involves considering several factors, which may include but are not limited to price, quality, availability, delivery timing, support, and other relevant factors.
- Interlocal cooperative contracts have gone through a competitive procurement process and comply with local, state, and federal procurement laws.
- New district-wide initiatives or refreshes are not included in this recommendation.

- Funds for these products and services will come from the Facility Services operating budget.
- Previous annual expenditures for this commodity:
