Dear Mendon Family,

Please accept this email as my official resignation from my position as GSRP teacher and administrator for the upcoming 2024-2025 school year. It has been an absolute pleasure to work for this institution. I have taken great pride in my position since I began this journey in 2012, and will continue to cherish the memories for years to come. I would like to thank both the staff and students for the opportunities they have provided for me to grow professionally in this field as well.

I plan on sharing information with my teaching partner, Kara Persons, but let me know how I can be of further help during this transition.

Sincerely,  
Melissa Steckbauer
