	Questions	Evidence/Response			
	What literacy curriculum programs are being used for elementary? secondary? What program is used to teach subskills for language comprehension? What program is used to teach subskills for word recognition (phonics, phonemic awareness)?	Phonics 1st, K-8 Wit & Wisdom, Wit & Wisdom Geodes, iReady, Heggerty, 9-12 Springboard from College Board	Phonics 1st	Wit & Wisdom	ı
E	Is the core reading program on the approved Science of Reading curriculum list? If yes, for what areas? Has the one-pager been reviewed to address areas of weakness? What training has been provided to staff to ensure it is taught with fidelity?		What is the program to fill in the gaps for literacy? In addition we use Phonics First, Heggerty, I Ready.		
Literacy Curriculum	What supplemental curriculum/resources are used to ensure all components of literacy are taught? What training has been provided to staff to ensure the curriculum is taught with fidelity? Who provided the training?	Geodes K-2 Phonics, vocabulary, comprehension, fleuncy i-Ready K-8 PA, phonics, vocab, comp Heggerty K-2 Phonological awareness Geodes, Heggerty, i-Ready vendors provided training. i-Ready training in Sept, Oct, Nov. Ongoing support and coaching from Literacy Specialists and Directors of Teacher Leadership. Heggerty - weekly coaching sessions and grade level meetings to review and practice with literacy specialists. Geodes training was in Nov.	95% Group Curriculum for PA		
Ľ	Do all teachers have the materials needed to fully implement the programs?	Yes - access to online and print materials			
	What additional training has been provided to support implementation of the program(s)? Who provided the training?	Literacy specialists and Directors of Teacher Leadership provide ongoing support through weekly coaching sessions and grade level meetings.			
	Are teachers implementing the curriculum with fidelity? Why or why not? How do you document this?	Partially because the support and training are provided. With a majority of novice staff, there are issues with full implementation and fidelity to all curriculum components. Fidelity is documented through lesson plans, classroom walk-throughs, and coaching sessions.	5 total literacy specialists - one per campus		
	What courses are being offered to secondary students struggling with literacy?	Critical Reading class, ACT Litearcy class	Who teaches these classes? What training have they received? Special education teacher teachers critical training course. They have not received any training, but were chosen based on their background. Critical reading training can be done virtually.		
	What assessments are used to identify literacy needs				
	(deficits, gaps, progress)?  How frequently are these assessments utilized?	iReady, NWEA, mClass  NWEA and mClass - Three times a year i-Ready Diagnostic- Four times a year	Are teachers using CFA's to guide instruction and determine immediate needs of students? Teachers do thier own assessments as well. There are some different ones given from listed programs and small group assessments. Formative information gathered from exit tickets as well.		

		_		 
Assessments	Who is responsible for administering assessments?  How is data from these assessments tracked over time?	Teachers administer and review the data with support and training provided by building test coordinators. The building test coordinators are the Content Specialists and Directors of Teacher Leadership.  Data is tracked by class, grade, and school for each school after each assessment by principals and the instructional leadership team.		
Asses	What is the intervention plan based on this data?		Explain the collaborative portion of Just Right instruction. Students work together at this time. Reading, answering question, or discussing texts. program used during RTI. We take the data and use this to push students in the right direction. Students do not miss core instruction when pulled out. This is not an online program.	
	How is the intervention plan monitored?	The teachers track assessment results for each scholar using paper assessments and monitoring i-Ready progress. In addition, school and District leadership teams observe the intervention time for fidelity and improvement.	What is the frequency of monitoring? It is an hour during the day, but it does change from campus to campus based on circumstances. Grade level bands have it at the same time, but each building may be different. Students are moved based on needs, and specialists are able to push in. Monitoring of moving students is a growth area to be developed.	
	·			
	How are the components of literacy addressed during the school day? How much time is scheduled for the literacy block or each component?	For K-2, scholars receive 120 minutes, 3-4 scholars receive 105 minutes, and 5-6 scholars receive 75 minutes. During these blocks of time, scholars receive phonics instruction, skill-specific strategies for reading comprehension, vocabulary instruction, and fluency. In addition, scholars receive additional instruction in their opportunity area during Just Right Instruction.	When is phonological awareness taught?	
	What amount of time is scheduled for daily small group instruction for students?	40-60 minutes of teacher facilitated small group instruction.	Are scholars meeting in small groups with teachers on a daily basis? Yes, it is part of the regular literacy block and part of the daily just right RTI.	
Reading	What supports are provided in the district for literacy instruction?	Our literacy specialists support teachers. We have two RISE 3-6 trainers. Additionally, a member of the Lighthouse National Team that supports literacy instruction by coaching and supporting the instructional coaches.		
Re.	How do you determine instruction is moving towards proficiency in the science of reading?	NWEA and mClass		
Science of	What supports are provided to move teachers toward proficiency in SOR?	We have two trainers in the district that make getting training easier and provide support to instructional coaches. In addition, weekly coaching and grade-level meetings are focused on improving instruction, including SOR.		
S	What targeted training for specific components of the Science of Reading have been provided?	Teachers have received training on small group instruction and phonics.	Is this elementary teachers only? What support/training is provided for secondary teachers? One is at the high school, and the other is at elementary. Right now we have three in the district that are assessor trained. We are working to get more assessor trained. We have a goal to have at least one per campus. With three, we have once a month walk throughs. Right now, collaboration is not specific, more general pedagogy. We do not have a K-2 trainer.	

	What training has been provided on aligning instructional routines with SOR?	Weekly coaching and grade-level meetings.		
		Dyslexia indicators are identified using mClass. Also, teachers can recommend scholars after providing interventions to the School-Based Intervention Team to develop a plan of action. Dyslexia Interventionists conduct the screening. A. Rogers administers a level 2 assessment.	Secondary is identified the same way. mClass used up	
Kia	· ·	Interventions are based on scholar needs and are provided by our Dyslexia Interventionists using Barton and Phonics First.		
Dyslexia	What curriculum is used with dyslexia students? Is this program on the approved Dyslexia intervention program list? How were interventionists trained to use the program? What is the frequency of services?	Barton Reading and Phonics First, and both are on the Dyslexia approved list. In addition, our district Dyslexia Coordinator provided summer training for Dyslexia Interventionists and has a once-a-month session for ongoing training.		
	How are students monitored to determine progress? How often does monitoring occur?	Teachers use mClass and i-Ready to help monitor scholar progress weekly.		
	How are interventions for characteristics of dyslexia provided so that students are not missing core instruction?	Scholars are pulled during Just Right instruction time or specials.		
<u> </u>	What teachers/grade levels are participating in Writing Revolution?		Wit and Wisdom has writing instruction built in.	
Writing evolution	How is support being provided for teachers to implement the program?			
≥ ≥	Who is responsible for administering the pre/post assessment?			
ď	How are you monitoring to ensure implementation is occurring?

## **NOTES/COMMENTS**

Tally Harp visited with Dr. Turker and Ms. Hart to review mid-year data and discuss progress with DESE Plan of Support Goals:

- •Capitol City and the Pine Bluff campuses will transition to the Friendship Aspire district in the 23-24 school year.
- •iReady data comparison from mid-year of 2021 to mid-year of 2022 indicates growth across K-5. Kindergarten data from Jacksonville campus is all GREEN AND YELLOW!
- •PLC Process:
- oTeachers are working 1 unit ahead.
- oWorking on CFA's, identifying essential standards, and creating I Can statements.
- oMoving the push to ensure Core (Tier I) instruction is priority while Tier II and Tier III instruction is based on data and student needs.
- •District using Grade Level Look-For document that is SoR component specific and aligned to the TESS rubric.
- •All 3-6 ELA teachers and specialists are participating in the Writing Revolution. Discussion to implement strategies in small chunks to ensure mastery of instruction.
- •Small group instruction is occurring. Focus on grade level standards. Working on more intentional activities in stations.
- •Tally Harp will be on-site with Dr. Turker on February 10th to conduct observations at the Jacksonville LHE campus.

Tally Harp visited with district and building staff to review iReady and NWEA data from Capital City, Flightline, and Jacksonville campuses. Intervention plans were discussed and students identified for additional support. Conversations were also had regarding current core curriculum. Tally Harp will visit Jacksonville and Flightline campuses on December 13th.

Tally Harp met with Dr. Turker to discuss barriers to Wit & Wisdom implementation. Dr. Turker shared the district created curriculum alignment and scope and sequence documents. The next meeting will be an elementary data review on November 2nd.

Initial meeting on-site. 21-22 progress on goals discussed. Current priorities and goals established for the 22-23 SY. T. Harp will be on-site on October 18th to partcipate in curriculum/data discussions. DESE:Tally Harp, Melissa Matus, Nancy Redican, Renee Austin-Banks, Dr. Ginny Stroud, Felicia Shelton, Tim Johnston, Carol Heringer AR Lighthouse Academies: LaShawnDa Noel, Jessica Beasley, Karin McGuire, Isaiah Cosio APSRC: Jeana Williams, JoAnna Lever DST met with Charter team to review literacy question, identify priorities, and set goals for the DESE Plan of Support. Team met to discuss progress. Next steps are to implement a daily intervention from 7:30-8:00 at Capital City. Next month will be an onsite visit. On-site visit to Capital City Elementary Monthly check-in
