

LPSD Policy regarding Parent/Guardian Refusal (opt out) for Student Participation in Statewide Assessments

Statewide, standardized assessments are used to collect student achievement data, designate school performance, and compare school performance throughout the district, state, and nation. The Lake and Peninsula School District *requests* that each eligible student participate in statewide assessments. Students who do not participate in assessments are counted against performance indexes, and impact achievement data and comparisons. These are used to measure student achievement and guide efforts to distribute resources and students supports.

The Lake and Peninsula School District recognizes “the parent’s right to direct the education of the parent’s child” as outlined in Alaska HB 156 Sec 14.03.016. If a parent chooses to exercise this right they should inform site administration in writing. When possible the site instructional team (site administrator, teachers, others as appropriate) will meet with the parent to determine whether or not steps can be taken to include the student in assessments. The refusal form will be completed for each testing period. This document, the original letter, and any other appropriate documentation (IEP, phone log, emails,) will be collected and kept on file with the District Testing Coordinator.
