

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting November 28, 2022

FOR DISCUSSION

Subject: Fee Collection Agency

Bloomington School District 13 has enacted a process to collect registration fees through online means since April 2005. Most recently, the District has used PushCoin for this purpose. Throughout this time, the collection of unpaid fees has been a difficult task to accomplish as most third party online fee collectors do not follow up with those families who choose not to pay. According to Ms. Varhalla in her Budget presentation in September, under 2.4% of the total revenue collected by the District are parent paid registration fees.

In the spirit of reconciling accounts and collecting what is owed to the District, Ms. Varhalla will articulate a plan to follow to ensure greater personal accountability for fee payment and fee collection.
