**NO Gym presents challenges and the children of Kaktovik are in desperate need of a gymnasium for social, emotional and physical health.

Cultural Learning:

Cultural Learning is incorporated into Daily lessons in every classroom.

Inupiaq Day Celebration was scheduled for early December but was postponed until second semester due to an unexpected school closure as a result of Covid-19. We had to cancel once again due to Covid and the Flu. Our current plan is to have Inupiaq day in early May after we complete spring testing. Planned activities include Inupiaq Dancing, Beading, NYO Games, Ulu Making, Traditional Snow Goggle Making, Donut Making to name a few.

Building Report:

We have had 2 meetings with architect for the new school design. The plan as it now stands is to clean up the old burn site and prepare the sight for new construction, this summer 2022. New construction on Phase 1 would start summer of 2023. Phase 1 will include the Gym, Kitchen, and the shop area.
