

Head Start Board Report

April 2025

Enrollment and Attendance

Head Start's average daily attendance was 74%. Early Head Start's average daily attendance was 79%.

Education & School Readiness

Staff is continually assessing classroom needs.

COR/CLASS Report

Teachers continue to enter COR.

Mental Health

Mental health referrals and resources were given to all families with need.

Disabilities

EHS is serving one student with a diagnosed disability and HS is serving four students. Services are being provided for students with need.

Nutrition

Lake Orion Community Schools Food Service is providing meals. Nutrition policies and procedures adhered to.

Family & Community Engagement

We had the youth librarian from the Lake Orion Public Library out for her monthly reading time with all classes. We also enjoyed a Japanese drum concert- the kids and staff loved it!

Program Governance

The program is following Head Start policies.

Health

The program continues to maintain all child health requirements.

Budget/Grant/Contract

The program is working with Finance on funding and budget requirements. We are working with OLHSA regarding any grant needs. OLHSA has been provided the documentation regarding the return of Head Start and Early Head Start slots for the 2025-2026 school year.

Credit Card Purchases

The credit card was charged a total of \$210.72.
