

**GOVERNING BOARD AGENDA ITEM FORM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: April 13, 2010

TITLE: Approval of Response to Intervention Program (RTI)

BACKGROUND: Response to Intervention or RTI as it is commonly referred to evolved from the district approach to creating and sustaining a Pyramid of Interventions for all students who were at some level of risk in terms of maintaining achievement levels. Three years ago we piloted an RTI program at Rio Vista that has shown positive results with students needing interventions. The interventions in an RTI system are scaled accordingly and flexible decisions can be made quickly to support the student(s).

RECOMMENDATION: It is the recommendation of the Administration that the Governing Board approve the implementation of RTI processes in all schools.
