

**PRINCIPAL'S MESSAGE**  
By Casey Alderson, Principal

In a few short days, our seniors will step into the next phase of their lives. For the most part they are anxious for this to happen and are excited about their futures. Life is a series of milestones, but high school graduation has to be one of the most important. It truly is that event that opens many other doors to students. It is the end of childhood and a step into the "real world" that parents and teachers have been talking about for the last four years. Parents, this is the time of year to keep in close contact with the academic progress of your senior student. We have some seniors who are on a plan with counseling in order to complete all their credits for graduation on June 4th. Do not just assume that your student is doing what needs to be done. Stay in contact with their teachers, Ms. Tucker, Ms. Creek, or one of the administrators to make sure your student is on target.

As the year is quickly coming to an end, we need to make sure that students have everything that is required for graduation pulled together.

**GRADES** — All grades must be cleared by Ms. Tucker by 3:30 PM on May 30th. No extra time will be given to complete coursework in order to walk in graduation. If a student is failing a class or has not completed a class on May 30th that is required for graduation, the student will not walk at the graduation ceremony. At 3:30 on the day of the 30th, we will have the list of students who will be walking June 4th at Graduation.

**CREDIT RETRIEVAL**— There are only 4 weeks left to make up any failed credits from high school. If you have classes to

make up, see Ms. Pope. She is available Monday—Thursday from 3:45 to 5:00. Take advantage of this opportunity to make up those credits needed for graduation. Seniors who have been putting this off—time is nearly out.

**LIBRARY**—All library books must be returned to Ms. Stehelin. If a book has been lost, it must be paid for. This is the time to do a sweep of bedrooms and other rooms in the house to find any library books or textbooks that belong to IVHS and get them returned.

**FINES AND FEES**—No diploma will be issued to students until all fees and fines have been paid. Our bookkeeper has notified students (multiple times) who owe the school money. Students with fines can still walk at graduation, but the official diploma will not be given until all fines are paid.

**SENIOR'S LAST DAY**— Senior's last day will be May 30th. They will check out with each teacher, turn in books, pay fines etc. If they do not check out with teachers, they will not walk at graduation.

**GRADUATION PRACTICE**— There are two graduation practices—both are mandatory—and students must be on time. The first is on Tuesday, June 3rd at 1:15-3:15 p.m. (or until done), and Wednesday, June 4th 10:00—12:00 noon (or until done). Seniors need to bring their caps and gowns to Wednesday's practice where a group photo will be taken. Information on purchasing pictures will be given at Tuesday's practice. The graduation ceremony will take place on June 4<sup>th</sup>."

## GRADUATION TIME

The Senior class is preparing to march in the Graduation ceremonies, which will be held on **Wednesday, June 4th**. This is a time for them to celebrate as they reflect on the past, and prepare for the future.

This is also a good time to help your student go through the checklist to verify that all requirements are met, such as sports fees, book fees, all items have been turned in, etc... This is also a good time to make sure all arrangements are in place, especially college-related paperwork.

If you need assistance with any of the school-related items, please contact our office as soon as possible.

**Good Luck to you & your Senior!!**

### STUDENT CHECK-OUT PROCEDURE CLARIFICATION

An Emergency Contact person, for student enrollment purposes, is:

Someone that you, as the Parent/Guardian, will list on their enrollment form in the event of an emergency. The office staff will **ONLY** use this contact **IF** an emergency arises, **AND** you or the regular contacts **CANNOT** be reached.

Emergency Contact persons **do not** have permission to randomly check your son or daughter out of school **WITHOUT** your **VERIFIED** permission.

We will not release a student to  
someone listed as an  
EMERGENCY contact  
without your permission.

### COMMUNICATIONS: SYNVOICE—AUTOMATED VOICE MESSAGING & ATTENDANCE NOTIFICATIONS

We will use **Synvoice** to send out important messages about school closures and school events. When you get a call from the school using **Synvoice**, it is important that you say **"Hello"** as this triggers the message. If you have voicemail, it will leave a message. If you have email registered with the school, we will often send emails as well.

At this time, our Attendance Clerk, Mary Paul, personally follows up on absences on a daily basis. If your student missed all or part of school, please call the school the next morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. You may also send Ms. Paul an email to verify or excuse an absence or tardy: [mary.paul@threerivers.k12.or.us](mailto:mary.paul@threerivers.k12.or.us). **It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for un-cleared absences.**

**We are now able to accept debit / credit cards for payments made to the business office. Please contact our Business Office for more information.**

April 2014

This letter is sent to you on behalf of the Illinois Valley High School graduating class of 2014. Graduation is rapidly approaching and we are seeking the help of our community in order to make the Safe & Sober Grad Night 2014 a successful event.

To give a little background information the Safe & Sober Grad Night event is not a "school" function, however it is held at Illinois Valley High School from 10:00p.m. to 5:00a.m. on graduation night, this year being June 4<sup>th</sup>. There is a Senior Grad Night committee that organizes and raises funds that host the evening's events. We are actively seeking additional volunteers.

On the night of the event the Commons and gymnasium are used to host various activities such as having a DJ available, photo booth, ping pong, etc. for the senior students and free food and beverages are made available through-out the evening. There is also a raffle for those seniors participating and the prizes consist of great items that are very valuable to young adults and college seekers i.e. microwaves, bedding, reading lights, laundry hampers, gift cards to Wal-Mart, and Staples just to name a few. This event is a great way for the students to reminisce with their friends one last time before their new journey begins and most importantly to be able to celebrate their accomplishments in a SAFE and SOBER environment!

We realize that our local businesses get hit hard through-out the year with various groups asking for donations; however without your support we would not be able to fund this important event. There are several ways that you could lend your support. If interested please contact the school for more information.

We truly appreciate your support and look forward to hearing from you. If you have any questions or would like more information please feel free to leave a message for the IV Grad Committee at 541-592-2116 and someone will get back to you.

Sincerely,  
Senior Grad Night Committee

## IVHS ASPIRE: HELPING STUDENTS BUILD BETTER FUTURES

We want our children to have bright futures, but college tuition bills and student loan debts can be a burden. What if our children could attend college for free, or even at half cost? The ASPIRE mentoring program at IVHS help students explore career goals, find education/training programs that work for them, and build academic & extracurricular records that will make them eligible for the biggest scholarships and grants. At no cost, students can meet for one hour per week with a mentor trained to help them take steps toward reaching their long-term goals.

My name is Sara Austin, and I was an IVHS student from 2005-09. With the help of my former ASPIRE mentor, I received scholarships from the University of Oregon and graduated in 2013 with no debt! I was a first-generation college student and my family couldn't afford to pay for college; but that didn't matter. My ASPIRE mentor showed me how to apply for need-based and merit-based scholarships that covered the cost of tuition. It is my goal to "Pay it Forward", and show students how to plan for their future higher education now.

High school students win scholarships by developing track records of academic success, extracurricular activities, and volunteer and work experiences that reflect their long-term goals. That's why it's never too early for students to join ASPIRE—freshmen and

sophomores can work on forming long-term goals and taking early steps toward achievement. Juniors and Seniors learn about the process of applying for colleges, scholarships and financial aid, and the deadlines they must meet.

Parents—encourage your teens and young adults to join the ASPIRE program! It will be a good investment in both their future, and your own. If you want to help the students of IVHS, consider signing up to be trained as a volunteer ASPIRE mentor. Adult mentors must pass a criminal background check before working with students. If you have questions about the program, or want to get involved, don't hesitate to contact me, Sara Austin, ASPIRE Coordinator: (541)-218-5998, [ivhs.aspire@gmail.com](mailto:ivhs.aspire@gmail.com) Learn more about ASPIRE in Oregon: [www.oregonstudentaid.gov/aspire.aspx](http://www.oregonstudentaid.gov/aspire.aspx)

## PARENT & STUDENT RESOURCES

### YEAR-ROUND ON-LINE STUDY RESOURCES AVAILABLE

On-Line support to help your student keep the skills learned, in shape. Like exercising your muscles on a daily or weekly basis, so too does the brain need its physical activity. The following web sites are provided to assist .

#### My student doesn't understand their homework . . . now what?

We have all been in the situation where our students don't understand the homework and we are trying to dust off the files in our head to remember how to do that math problem or remember what happened in this historic battle. It can be frustrating for both the student and the parent to get through the homework. In today's world full of technology students have numerous resources available to help them re-learn the concepts. The following are just three of the many sites available.

#### Khan Academy – [www.khanacademy.org](http://www.khanacademy.org)

This website has over 4,000 videos on subjects from geometry to chemistry to computer science. This is a great tool that actually re-teaches the material step by step. Many times hearing the concept explained by someone else makes that light bulb turn on and the student understands. Interactive practice is also available to solidify the concepts.

Sophia – [www.sophia.org](http://www.sophia.org) Video clips are also available at Sophia, but there is also much more. Over 28,000 tutorials including slideshows and screencasts are available anytime. The site also tailors the information according to the student's learning style, which is determined through a short quiz.

Quizlet – [www.quizlet.com](http://www.quizlet.com) This is a great study tool. There are thousands of flash cards & quizzes on the site developed by students and teachers from around the world in nearly every subject you can think of. Students can use an already created tool or create one of their own to challenge themselves and others in their class. This is a great vocabulary tool.

We hope you will find these resources helpful. If you would like more information or other ideas how to help your child at home please do not hesitate to contact the office.

**ODYSSEYWARE** is an on-line academic website which provides innovative, 21st century learning opportunities for our students.

*Three Rivers School District/Illinois Valley High School* uses this program for students outside of the regular classroom setting, and for students that need to do make up classes (Credit Recovery) to be eligible for graduation.

**ODYSSEYWARE (OW)** is web-based, If you have internet access, your student can access his/her assignments, which allows them the ability to complete the courses as fast as he/she needs to, whether they are in the classroom or at home.

To access the **ODYSSEYWARE** web site once your student has been registered, he/she will need to go to <https://3rivers.owschools.com>. From there, they will be able to login and access the courses that they are enrolled in.

## April 2014 Staff Recognition

We would like to acknowledge **Jennifer Wagner** for her work establishing the Cougar Speech team. Jennifer has prepared students for competitions, taken student to regional competitions, and has two students that are competing at the state tournament this year! She has really grabbed the bull by the horns and made this event a huge success for IVHS students!

We would also like to recognize our Essential Skills team of **Q Lackey, Erica Butler, and Megan Brown (pictured L-R)**. They have put in countless hours scheduling students into labs, coordinating testing windows, intervening with students prior to testing, and assuring that every kid gets tested at IVHS. Their hard work will ensure that every student gets the most opportunities to succeed and be ready for graduation.

Thank you ladies!!

### IMPORTANT INFORMATION FOR SENIORS

for June 3<sup>rd</sup> and June 4<sup>th</sup>

#### Tuesday - MANDATORY INDOOR PRACTICE

1:15 – 3:15 (or until done) in the GYM

- Please make arrangements with your boss or any other obligations that you have so you can be there. If you are not there, you will be seated at the end and will not have options about who you walk with.

- Be prepared to give the name of your guest to the all night grad party. Guidelines available from committee.
- Know who you plan to walk with. Absolutely no more than three can walk together. Two is better as you cannot walk under the arches with three people. If you do not have a partner to walk with, don't worry – we'll match you up with someone, or you can walk by yourself.
- You will be given the information on graduation pictures at this practice.

#### Wednesday – MANDATORY OUTDOOR PRACTICE

10:00 – 12:00 (or until done) On the field (weather permitting)

- Do not drive your car onto the field.
- We will take roll at 10:05. If you are not there on time, you force everyone to wait. Be respectful of others.
- Bring your cap and gown, cords, tassels, etc. You do not have to wear it for practice but you will need to put it on for the group pictures (or individuals) if you are buying them.
- Bring the picture envelope and money if you are going to buy a group or individual pictures.
- Wear or bring sunscreen if it is sunny.
- Bring a bottle of water – especially if it is warm out.

#### Wednesday – GRADUATION NIGHT

- Iron your gown – do it on a low setting.
- Dress appropriately under your gown.
- Be at the school absolutely no later than 6:15. Remember – parking is going to be tough, so give yourself time to get to the school and park.
- If the ceremony is outside, we will line up in the gym. If inside, we will line up in the locker room hallways.

# THREE RIVERS SCHOOL DISTRICT

## INCLEMENT WEATHER PROCEDURES

If inclement weather exists, or is forecast to exist in our school district the feasibility of providing home-to-school transportation will be discussed between the First Student busing Manager and the Director of Transportation no later than 5:30 AM.

The Director of Transportation will recommend a course of action (delay the start of school(s), close school(s), or keep school(s) open) to the Superintendent.

**Utilizing the *Synrevoice* automated calling system, all staff, parents, substitute teachers and media will be notified of the decision. The calling system sends messages both by e-mails and telephone calls (*these calls could begin as early as 5:30 AM*).**

***Important note about the calling system:* It is voice activated, so the system must hear a voice when calling. This can be a live person answering the phone, your voice mail, or an answering machine. But it will not activate simply upon lifting the receiver on the phone and just listening without saying anything.**

**This is an automated system; an attempt to call back the identified number will not be successful. Please take the time to listen to any message left in its entirety.**

All closures and/or delays will also be posted on our District website.

If a two-hour delay is announced in a particular school or area, then school will start two hours later than the regularly scheduled time. All bus pick-up times will be two hours later than normal. School will conclude at its regular time.

You are also advised to tune in to radio stations KAJO, KLDR, KRWQ and KBOY and TV stations KOBI (5), KDRV (12) and KTVL (10) for updates and in the event you don't have phone or internet service.

Athletic activities, school events and other scheduled field trips could be canceled if inclement weather is a concern.

Sometimes weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances "straight line routes" will be run. Please refer to the "Straight Line Bus Route" attachment for your attendance area for this information.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

**It is very important that you keep the school informed of your current phone number and e-mail address to assure proper notification.**

## PROGRAM TO HELP HOMELESS STUDENTS AND FAMILIES

Dear Parents/Guardians,

I am Heather Merrill, the Family Advocate for Illinois Valley High School. The purpose of the Family Advocate is to help students overcome barriers to success. I will help students acquire jackets, clothes, school supplies, hygiene supplies, glasses, dental appointments, haircuts, etc. I will also advocate for students: For example, helping them get testing or counseling, acquiring birth certificates, arranging for extra tutoring and other related services.

In addition, there is a federal law called the **McKinney-Vento** which gives additional assistance to students that meet the federal definitions of "homeless" these include:

- Living in a home with no heat or running water
- Staying with friends or other relatives due to economic hardships or loss of housing
- Fleeing a domestic violence situation
- Living in a car, van, bus, tent or other non-permanent structure

Living in one of the above situations may also entitle a student to:

- Transportation to their home school should homelessness require a move
- Immediate enrollment, even if there are issues, such as not having in hand:
  - A birth certificate(s) for the child (ren)
  - Immunization forms

Please help me identify any students with specific needs that may be in your care. Do you have a student that may benefit from the services listed above? If so, please list the student's name and specific needs.

**PROGRAMA PARA AYUDAR  
A LAS FAMILIAS Y ESTUDIANTES SIN HOGAR**

Estimados Padres / Tutores,

Soy Heather Merrill, la Defensora Familiar de Illinois Valley High School.

El propósito del partidario familiar es de ayudar a los estudiantes a superar las barreras hacia el éxito. Yo le ayudaré a los estudiantes a obtener chamarras, ropa, útiles escolares, artículos de higiene, citas con el dentista, cortes de pelo, etc. También le ayudaré a los estudiantes. Por ejemplo: Ayudarles en tener exámenes o consejos, obtener actas de nacimiento, programar ayuda extra con tutores y otros servicios relacionados.

Añadiendo, hay una ley federal llamada **Mckinney-Vento** que proporciona asistencia adicional a los estudiantes que reúnen las definiciones federales de "sin hogar" estas incluyen:

- Vivir en una casa sin calefacción o sin agua
- Hospedarse con amigos u otros parientes debido a la dificultad económica o pérdida de hogar
- Huyendo de una situación de violencia doméstica

Viviendo en un automovil, van, camión, casa de campaña o una estructura no permanente

- Transporte hacia su escuela en el hogar si estar sin hogar requiere movimiento
- Registro inmediato, aunque existan circunstancias, como no tener a la mano:
  - o Acta de nacimiento de su hijo(a).

Certificado de vacunas.

Por favor ayudenme a identificar a cualquier estudiante con necesidades específicas que estén a su cargo. Tiene usted algún estudiante que se pueda beneficiar de los servicios enlistados arriba? Si es así, haga una lista del estudiante con su nombre y necesidades específicas.
