Board Meeting Date: 18-Jun-12

Agenda #                     

Staff/Administrator: Dan Huber-Kantola

Superintendent: Dan Huber-Kantola

Type of Item:       Informational       Action

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

We are asking for approval of an ammended contract for ARAMARK services that will reduce the contract by more than \$100,000.00 by eliminating the maintenance supervisor position.

**Provide history/background information on your proposal.**

We signed a new contract with ARAMARK last year that included a maintenance supervisor position. However, given the stressed economic times, we believe we can bring this position back to a district position and save the district money without incurring any penalties with ARAMARK.

**List the advantages of your proposal:**

Potential savings to the district.

**List possible disadvantages of your proposal:**

We will have to have people obtain some of the unique certifications that were covered in the ARAMARK position. For example: Asbestos and CPI.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

Superintendent's recommendation(s):

Approve: Yes  No
