- ☒ Contributions that have promoted ROCORI's academics, arts, or athletics.
- ☐ Contributions that have impacted the economic sustainability of ROCORI and it's programs.
- ☐ Contributions that have significantly impacted student achievement.

**REASON FOR NOMINATION: (WRITTEN STATEMENT OF SUPPORT) \***

I have known Cliff since I had his children in beginning band and music classes. When I was involved with band many years ago, Cliff was always there to help out even at the elementary level by donating band instruments and his time to help with beginning band! I wasn't involved with the high school band but know he spent much time helping out there also as his daughter played the trombone in the band. Cliff is a former teacher and from what I understand spends his free time and more to help the Cold Spring Area Historical Society to be alive and well for our ROCORI Area Residents and Students. Cliff will still check in once in a while with me to see how music is doing in our schools! Thanks Cliff!!!

This form was created inside of Rocori Public Schools.
