

Babb Elementary Report
December 4, 2017

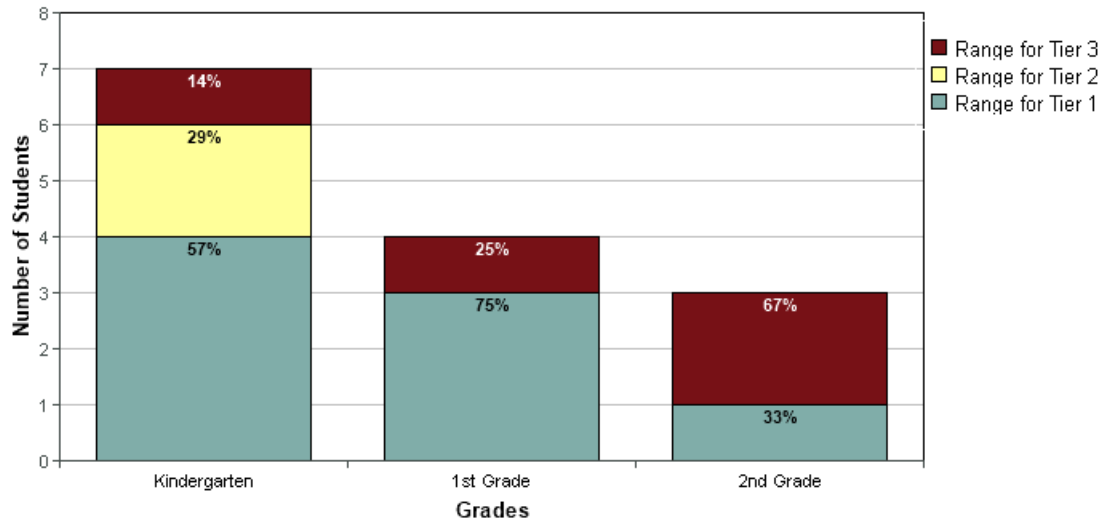

Greetings from Babb Elementary. We are happy to report that our behavior problems are resolving. We have had no referrals for the month of November. As a staff we are continuing to give our students the support they need as individuals to succeed in school. The students have been working hard to stay on task and showing more respect for each other as a result of the extra support provided to them.

During the month of November, we received dry good food items to start our food pantry, and we are expecting more food soon. We are very thankful to provide this service for our students and families in need. This is the first year that our school has had the opportunity to help students out by providing extra nutrition to them outside of the school environment.

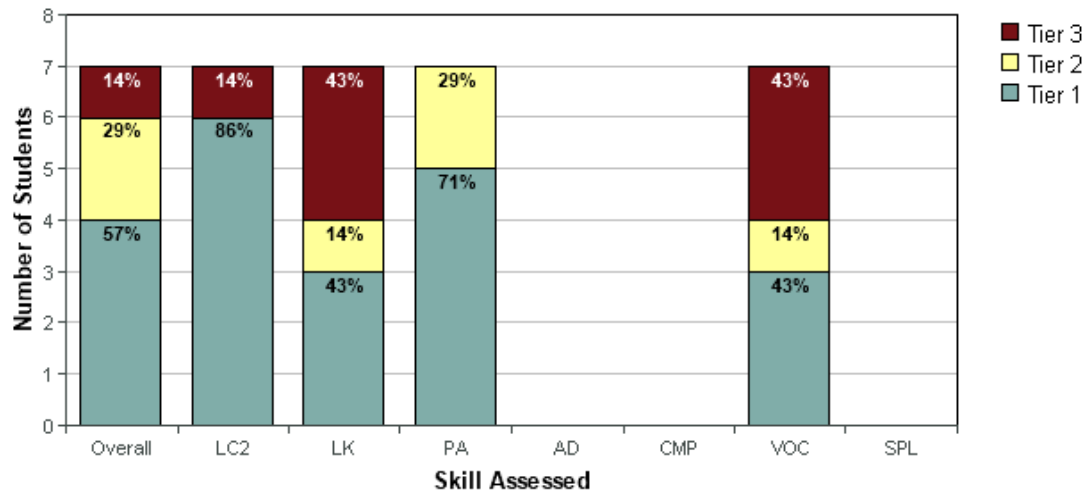

With the times changing we are showing a greater need for a truant/home school visitor to assist with attendance issues. At this time, we are not in need of a daily truant/home school visitor, however if we had an individual that could visit homes on a weekly basis that would be greatly appreciated.

As a staff we have been collaborating and generating ideas in which to implement support to our students in reading, math, and writing. We are also busy preparing for our Christmas Program on December 21, 2017 at 6:00 PM. We hope to see you all their supporting the students at Babb Elementary.

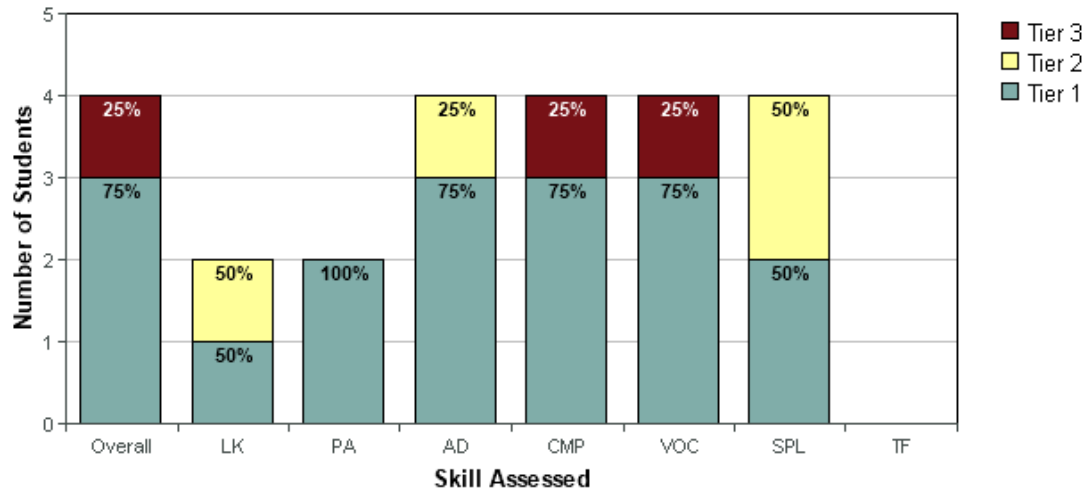

All Grades - December 2017

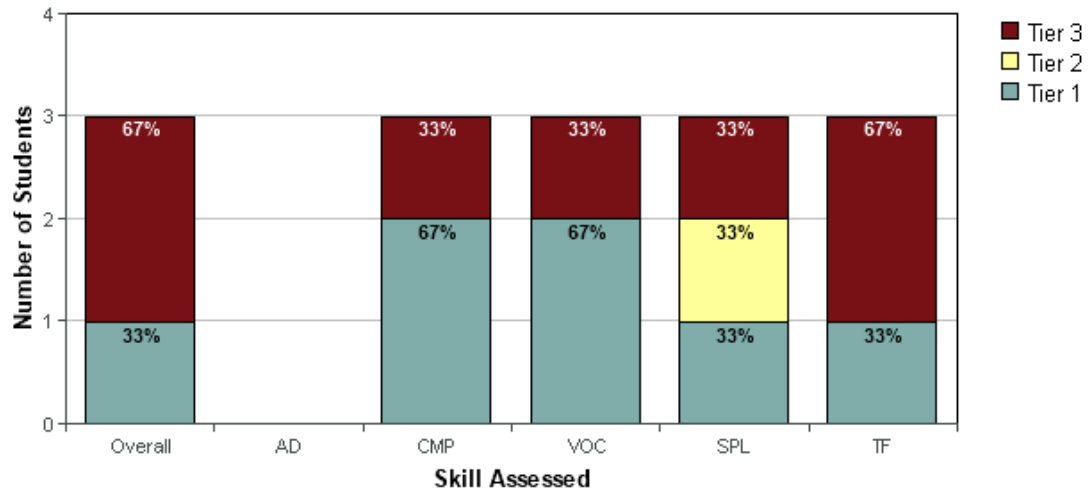

Kindergarten - December 2017

1st Grade - December 2017

2nd Grade - December 2017
