3121 - **CRIMINAL HISTORY RECORD CHECK AND EMPLOYEE SELF-REPORTING REQUIREMENT**

Criminal History Record Check

To more adequately safeguard students and staff members, the Board requires an inquiry into the background of each applicant the District Administrator recommends for employment on the District's professional staff.

Such an inquiry shall also be made for substitutes who may be employed by the District and for volunteers assisting District staff.

The District Administrator shall establish the necessary procedures for obtaining any criminal history of the applicant.

Should it be necessary to employ a person in order to maintain continuity of the program prior to receipt of the report, the District Administrator may employ the person on a provisional basis until the report is received.

All information and records obtained from such inquiries are to be considered confidential and shall not be released or disseminated to those not directly involved in evaluating the applicant's qualifications.

Employee Self-Reporting Requirement

All District employees shall notify the District Administrator as soon as possible, but no more than three (3) calendar days, after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of the employee for any criminal or municipal offense.

~~The requirement to report a conviction or deferred adjudication shall not apply to minor traffic offenses (e.g. non-moving violations, failure to yield, failure to obey a traffic signal, unattended vehicle, and illegal parking). However, an offense of operating under the influence, revocation or suspension of license, and driving after revocation or suspension or any moving violation must be reported if the employee drives or operates a District vehicle or piece of mobile equipment or transports students or staff in any vehicle. Failure to report under this section may result in disciplinary action, up to and including termination. All employment decisions by the District based on such information must comply with Wisconsin's arrest and conviction discrimination law.~~

The requirement to report a conviction or deferred adjudication applies to major traffic offenses (e.g., operating under the influence of an intoxicant or other drug, reckless driving, operating after suspension/revocation, failure to report an accident, refusal to take a breath test). Minor traffic offenses (e.g., non-moving violations, speeding, failure to yield, failure to obey a traffic signal, unattended vehicle, illegal parking) do not need to be reported.

However, if an employee drives or operates a District vehicle or piece of mobile equipment or transports students or staff, other than the staff member's own family, in any vehicle they must report any traffic offense (not including parking tickets).

Failure to report under this section may result in disciplinary action, up to and including termination. All employment decisions by the District based on such information must comply with Wisconsin's arrest and conviction discrimination law.
