

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum

2nd grade has started its Mystery Reading program. Mrs. Taubery and Mrs. Johnson kicked off this great opportunity by reading to the whole 2nd grade class. (This group photo is of the 2nd grade, please note 2 students are on the do not publish list). As a team, we are working with the Nippersink Library to connect RGS and the community with exciting literacy events and opportunities.

As a building, we have completed iReady for the fall. Interventionists are working with identified spring students and have formed groups for the fall. They had a table at Curriculum Night to share what they provide students with during the year and answer any questions families had for them.

School Celebrations

Installation of the Buddy Bench - thank you to PTO and our building maintenance team for creating a place for students to connect in a positive environment with their classmates on the playground.
