GOAL: 4

OBJECTIVE: 4A

SUBJECT:

Consider Board approval of Facilities Supplies, Equipment & Services.

RATIONALE:

State law requires an approved method for acquisition of goods or services totaling over \$50,000.00 for a 12-month period. Estimated expenditures for maintenance supplies and equipment exceed that amount.

Bid Packets were posted online and responses were received from five (5) vendors.

RECOMMENDATION:

This will be a “catalogue” type bid award. Due to the urgency involved in the repair facilities and the sometimes unavailability of materials from a particular vendor, the administration recommends multiple awards to all responding vendors so that materials can be purchased in a timely manner.
