

Italy Independent School District

Department Board Report

Meeting Date_1-27_2025

MISSION: The mission of Italy ISD is to maintain a safe and caring environment by partnering with families and the community to inspire lifelong learning for intellectual and personal success for all students.

VISION: Italy ISD will be a district that sees every child and creates a diverse learning environment to prepare them for an ever-changing world.

Department: Technology

Executive Director of Technology: Michael Steinmetz

Date: 1/27/2025

Celebrations: 2nd Semester is here.

Upcoming events/activities:

Dear School Board Members,

We are grateful for your continued interest and unwavering support, which have been critical as we navigate the complexities of digital education. As we progress through 2nd half of the school year, we are pleased to report that everything is progressing smoothly. Ensuring that both students and staff have access to the necessary technological resources remains a top priority for us, as it is vital for their academic success.

Your steadfast support is truly invaluable and plays a central role in the success of our department. We are actively preparing to meet any future needs and are committed to delivering reliable, efficient, and innovative technology solutions that continue to support the growth and development of our school community.

As we move past the midpoint of the school year, we recognize that testing is fast approaching, and it's essential for us to stay focused on meeting the academic expectations for all our students. Our team has been actively preparing for this critical period, ensuring that our students have the support, resources, and guidance they need to succeed. We are committed to creating a positive and motivating environment to help them perform at their best during the upcoming assessments. By staying proactive

and aligned with educational goals, we are confident that our students will be well-prepared to face the challenges of the coming tests and achieve success.

As the school year progresses, we are entering an important phase where year end assessments are coming up, and it's vital that we remain focused on preparing our students. We have been laying the groundwork to ensure that all expectations are met, with dedicated support in place to guide each student toward success. Our educators are committed to providing the necessary feedback and encouragement to help students stay on track as we prepare for the next steps in their academic journey.

Once again, we extend our heartfelt thanks for your enduring support.

Michael Steinmetz
Executive Director,
