

III. Review Policy Changes Suggested by IASB

Listed below are policies with new updates, changes or information in response to changes in laws, rules or regulations. The materials for review are included. The superintendent will include his recommendation for the action to be taken in the right-hand column.

- District 26 does not maintain most ISBE Exhibits or Administrative Procedures and those materials are excluded from this packet. The district maintains a separate Administrative Procedures Manual.
- District Policy Manuals do not contain ISBE footnotes, therefore footnote changes are not included.
- Legal References and citation changes only are automatic, do not require Board approval and are automatically recorded for insertion into the District Policy Manual with the new CD.

The Policy Committee will discuss and determine a recommendation for the below policies for inclusion into the District 26 Policy Manual.
