Re: Discussion of 2014-15 Budgets

We would like to discuss the 2014-15 proposed budgets and the budget timeline at the Monday, June 16, 2014 Finance Committee.

As you know, by law the 2014-2015 budgets must be adopted by June 30, 2014. We plan to have the detail budget for consideration by the Board of Education at the regular meeting on June 23, 2014. We are still waiting on final information from the state for next year's budget and we will provide updated information as soon as it is available.

In addition, we also need to schedule a public hearing on Monday June 23, 2014 at 6:45 p.m. to review the budget and proposed millage rates for 2014-2015. We are still waiting for some taxable value information to calculate the millage rates for next year. We will provide that to the Board as soon as it is available.

Please include this item on the agenda. Thank you.
