**David Meadows**

Tupelo Public School District Textbook Adoption Committees have completed their work in grades 6-12 and made recommendations for textbooks in the content areas of Mathematics, Business and Technology, and Driver's Education. Textbook Adoption Committees continue to work in grades K-5 in an effort to identify the K-5 mathematics program that best fits the needs of students, most closely matches the TPSD curriculum, and provides the strongest support for the K-2, 3-5, grade 6 elementary school reorganization. Attached is a listing of recommended textbooks by content area and course.
