Questions?

Addressing
Complaints of
Student Bullying
and/or Harassment

Addressing Complaints of Student Bullying and/or Harassment

- Notification of Safe School Climate Specialist (or other administrator) of concern of bullying
- Investigation by Safe School Climate Specialist, notifying parent of student alleged to have committed act that investigation has commenced
- If verified act of bullying, within 48 hours results are shared verbally and by e-mail with parents/guardians, including rights and remedies
- Meeting with parents/guardians of a student against whom such an act was directed to share measures to ensure safety through a student safety support plan

Addressing Complaints of Student Bullying and/or Harassment (continued)

- Meeting with parents/guardians of student who committed verified act of bullying to discuss interventions to prevent further acts of bullying
- Documentation and recording of verified act of bullying
- Principal or designee to notify law enforcement if it is believed to constitute criminal activity
- Notification of teachers of verified act of bullying and student safety support plan (critical in implementing student safety support plan)
