Additional comments: It is with great enthusiasm that I support the nomination of Mrs. Terri Rentis for an LPS Golden Apple. Whenever I see her name on a volunteer sign up, I cheer, because I know that the event or job will be done well and done completely. Her positive outlook and competence make Riley Upper Elementary an even more enjoyable place for our staff and students. Terri is an unsung hero; a quiet worker behind the scenes. She does not desire the spotlight or seek recognition, which makes this Golden Apple more of something that we want *for* her. She simply steps in wherever she sees the need, willingly giving of her time and talents to help our school be the best we can be. I know I speak for our entire Riley community when I say that Terri Rentis is most deserving of a Golden Apple.
